

## *JUNIOR SECTION PRELIMINARY PROGRAM*

**Ahead of the annual SFBBM congress, a half-day will be dedicated to the Junior Section on June 18, 2025, at the Faculty of Pharmacy in Paris.**

**The Junior Section is a network for young SFBBM members, including students and early-career researchers, offering activities and opportunities at both national level within the SFBBM and at the European level through the FEBS Junior Sections.**

**It will provide a great opportunity to exchange and share ideas with peers.**
